LATE UNOFFICIAL RETURNS GIVE FEEHAN GOOD LEAD

Castle Shannon Man Re-elected Miners' President

THE NATIONAL ELECTION

White May Win Over President Lewis By Majority of 25,000 Votes

From the latest returns of the miner's election Tuesday, President Francis Feehan is re-elected by at least 4,000 majority in District No. 5 over Robert Gibbons, the Cecil man. This is about the same majority by which he won last year. From a telegram received this morning by President Feehan from the Illinois field, John T. White, of Iowa, is elected over T. L. Lewis for the national presidency by as large a majority as 25,000 or more.

Monongahela valley went strong for Feehan, as well as the immediate Pittsburg vicinity. Cecil, the home local of Gibbons, gave Feehan 62 votes to Gibbons 25, and Feehan carried his own local at Castle Shannon by a three to one vote. In the field next to Cecil, Feehan won by 35 to two.

Charleroi in its vote favored Gibbons slightly and gave, Lewis a majority over White. The vote here was Gibbons 65, Feehan 35; Lewis 79, White 29. Dunlevy, which has the honor of being the oldest local in the valley, and to which Feehan belonged for a time, gave him 75 votes Gibbons was given a big cipher. White got 74 votes and Lewis captured one there Black Diamond gave a two to one vote for Feehan and 50 majority for White.

President Feehan in talking to the Mail over the long distance phone this morning stated that he had just received a message from President Walker of the Illinois field to the effect that Lewis had lost out there by about 40,000 votes, which would practically insure White's election, by some 25,000 or 30,000. Pennsylvania stood loyally by White, it is stated, nearly every district giving him a substantial majority. If the first reports are authentic and White is elected, the miners will have, a good leader and one who is fully competent to step into the shoes of the outgoing president.

SHOOTING OF GIRL PURELY ACCIDENTAL

No One Held Directly to Blame for Death of Miss Effie Smalley at Naomi Tuesday Afternoon

After hearing the testimony in the tragedy at Naomi last night a coroner's jury decided that Miss Effie Smalley came to her death by a gun shot wound from a revolver that was accidentally discharged by William Grant, and he was released from jail. Miss Smalley was instantly killed Tuesday afternoon when shot through the neck.

Grant testified that he had no intention of shooting the girl and did not know the gun was loaded. Mrs. Minnie England stated that she thought Miss Smalley threw herself in front of the gun. Deputy Coroner J. W. Gordon of Belle Vernon conducted the inquest, and the members of the jury were, T.S. Young, Claude Truxal, John Andrews, William Layhue, Jacob Amalong and John Vance.

MORE BIRTHS THAN DEATHS IN NOVEMBER

Sixteen People Dies in Charleroi During the Past Month

There were nearly twice as many births as deaths in the Charleroi district during the month of November, according to the report of Dr. Edwin McKay, registrar. In the two boroughs and one township composing the district there were 34 births and 18 deaths. In Charleroi the births numbered 31, and there were three in Fallowfield township. Sixteen deaths occurred in Charleroi and two in Fallowfield.

SUNDAY SCHOOL CLASS SURPRISES ONE OF MEMBERS

On Tuesday evening the Men's John Wesley and the Ladies Old Reliable Bible classes of the Speers M. E. Sunday school walked into the home of Mr. and Mrs James W. Collins at Speers and celebrated the 44th birthday of Mr Collins. Never was there a more pleasant evening spent in the village. The party was made up of married people, yet these were as young as they ever were and could have taught the younger set some new amusements It is very doubtful if Mr. Collins, although one of the crowd for several years, ever dreamed of his associates having the life that they displayed at his home.

A very delightful luncheon was served by Mrs. Ross Jackman, Mrs. Dan Doherty, Mrs. Elmer Taylor and Mrs. King Chalfant, which had been prepared, and just before serving the 52 plates Mr Collins was called to the middle door. There he was held up by Rev. L. Z. Robinson, pastor of the church, where he in a very impressive manner presented Mr. Collins with a handsome gold watch fob, presented by the classes and friends present. Rev. Robinson in his presentation speech told of the untiring work that Mr. Collins has been doing in the Sunday school and church for more than two years, being secretary and treasurer of the John Wesley class, his efforts to bring those into the Sunday school who do not attend, his faithfulness in the choir and his patience in helping to train the children of the school for special occasions. Mr. Collins responded appropriately and was much affected by the testimonal offered by his friends and neighbors.

At a late hour the crowd departed to their homes all wishing Mr. Collins many more birthdays.

FEW INTRICATE PASSES BRING ON DEEP SLEEP

Young Fayette City Man Not Troubled With Insomnia

After having been asleep for about eight hours at the instance of "The Great Charcot" who last night finished a three days' engagement at the Star Theatre, Frank Silas of Fayette City, was last night awakened on the stage of the Star Theatre. He yawned like a good fellow and stretched like a sleepy farmer boy. Silas came to town yesterday at noon to go to sleep. "The Great Charcot," who has gained some eminence by reason of his scientific work, when he got hold of the young man proceeded to make a few mystic and more or less intricate passes in front of his face, and Silas without arguing the matter in the least dropped off into dreamless slumberland. He didn't move unless "The Great Charot" willed, and acted much as one would expect a man to who had been out three nights in succession and was just taking his first rest after the vigil. "The Great Charcot" put several people to sleep while here, not as a prize fighter would, but in a less strenuous and equally as interesting a manner. He passed on to Martin's Ferry, Ohio, today to put others to sleep for that's his work.

"THE WOLF" BOOKED FOR COYLE THEATRE

Strong in conception, dramatic in execution and vitally interesting throughout is "The Wolf," which will be seen at the Coyle Theatre next Wednesday, December 21. Eugene Walter has written the play in robust style. It is a story of the wonderful Hudson Bay country

Scene from "The Wolf"

and of the primal, eternal struggle between men for the possesion of a waman. Dark passion and pure sentiment are set in opposition, but there is nothing hackneyed. The men are not of the familiar stage type, nor are the scenes of a mechanical order. Mr. Walter tells an excellent story.

He is the author of the play "Paid in Full," which had such a big run last season, and was produced at the Nixon Theatre in Pittsburg.

Louis Beigel was a Pittsburg business visitor yesterday.

The Pittsburg Papers Go Into The Hands of a Receiver

Charleroi readers of the Pittsburg Post and Sun will regret to hear that these popular newspapers are in financial difficulties, and both have passed into the hands of a receiver. Action was taken to this effect in the Allegheny county courts this week when two bills in equity were filed, declaring that the two papers could not pay obligations matured and approaching maturity. These bills were filed by the Farmers Deposit National Bank and Joseph T. Nevin was appointed receiver.

Corner Heffran Investigates Charleroi Disaster

NO ONE RESPONSIBLE

Bodies of Two Mine Victims Buried From Respective Homes Today

Purely accidental was the explosion which caused the death of two miners, Jobe Williams and Angel Berneart, at the Charleroi Coal works Tuesday morning, according to a verdict rendered by the coroner's jury sitting on the case, at the inquest held last evening at the undertaking rooms of M. T. Crowley. The inquest was conducted by Coroner James T. Heffran. The verdict in full was as flolows:

"We, the jury, find that Angel Berneart and Jobe Williams came to their death Tuesday morning, December 13, from an accidental explosion of monobel, at the Charleroi Coal mines. We hold no one responsible for the accident."

The jury consisted of R. H. Rush, W. R. Gaut, Harry Geho, C. E Bell, John Porter and Daniel Shields. Five witnesses were heard

The funerals of both the victims were held this afternoon, that of Williams from his home in Coal Bluff at 1 o'clock, and that of Berneart from his home in Charleroi at 3 o'clock. Charleroi Circle No. 103 Loyal Order of Moose sent a delegation to attend the former funeral and the Charleroi Aerie of Eagles had charge of the latter.

COASTING HOURS ARRANGED FOR HOLIDAY SEASON

To the Public:

Now that our boys and girls are soon to lay aside their school books to enjoy the usual vacation, and upon request of a number of our citizens, I have instructed the chief of police and his assistants to not interfere with the boys and girls while coasting between the hours of 2 and 4 o'clock in the afternoon until further notice. A number of our citizens have offered their services to help guard the cross streets to prevent any accident. The police force and myself will do all within our power to protect the children and to avoid any accident, but it must be fully understood that any parent permitting his or her child to coast must do so at their own risk, as the borough will not be responsible should accident occur. It must be understood that the above mentioned hours must be observed. I would suggest that the smaller children coast on some street other than Fifth street.

The Entire County

If the State of Allegheny is not possible, the city of Pittsburg is, and a movement has been launched to annex the whole county of Allegheny to Pittsburg in order to insure a greater and better city. Headed by Mayor W. A. Magee a body of business and professional men have organized a temporary Greater Pittsburg Association, and immediate steps are to be taken to organize permanently and push the project through to a finish.

By annexing the entire county it is believed that better opportunities will be afforded for extending the future greatness and prosperity of Pittsburg. The present geographical boundaries of Pittsburg, even with Allegheny and other suburbs annexed, are wholly inadequate for further industrial expansion, and the limitations these impose is a drawback to the building up of a great center of diversified industries in proportion to the recources and facilities afforded by the community. Under a single city government and directed by a single body of patriotic boosters, the opportunities and resources are limitless. To develop this vast city involves the completion of many projects, some of which are now under way, and which will bring material prosperity to the whole western end of the State. The county annexation scheme would materially help Charleroi and all the up-river towns and all any encouragement that can be given the project will be to help further the development of the great Pittsburg district.

A Good Investment

Next week between 600 and 700 school teacher will assemble at Washington to attend the county institute. In addition to the social and intellectual impetus the presence of so many bright young men and women—chiefly women—will give to the county seat, their presence means considerable increase in business for the town. Every teacher is paid by his or her district to attend the institute, and the proximity of Christmas is sure to cause the visitors to spend considerable money in addition to their expenses. It is probable that the institute will leave between $7,000 and $8,000 of the teachers' money in Washington.

At different times when Charleroi had candidates for county superintendents the prospect of holding an institute in Charleroi was discussed. Our town is better equipped in the way of hotels for this purpose than Washington. There are many points of interest here besides, and in the way of entertainment the visitors could be shown through the big industries instead of being handed out the shop-worn bureau lecture and concert. The presence of a county institute in a town is a good business investment, and this is a matter to be considered by the people here if Charleroi should at any future time again have a candidate for county superintendent.

A Fat Job

The auditors' statement for the first nine months of 1909 has just been published in the Washington papers. This is the last statement of the kind to appear, as the office of county auditor was abolished by the creation of the office of county recorder, and the delay in publishing the statement was due to litigation and sickness of one of the auditors.

A feature of the report is the large commissions realized by the county treasurer, which gives him a salary for the nine months of $6,400.19. It is stated by a Washington newspaper that when money due from the State at the time was received, the treasurer's commission would be increased by at least $2,000 more, making his salary for the year over $8,000. This the newspaper in question considers exorbitant, and goes on to remark that the duties of treasurer are perfunctory and require no particular responsibility, and that in comparison with bank cashiers, clerks and bookkeepers, who have infinitely more arducus duties and greater responsibilities, the county treasurer gets at least three or four times as much salary. As the law places upon the county commissioners the duty of fixing the salary of the county treasurer, it is urged that the salary be made a fixed sum instead of based on a commission.

ELECTRIC SPARKS

Some people do not like to be up to date. Among this class might be termed those who insist upon calling newspaper men "ye editors."

When it is considered that it takes four kinds of "ation," aeration, sedimentation, coagulation and filtration to purify the water we use, we ought to be satisfied.

Penrose is charged with running the Farmer's Grange. What To Do
—FOR—
Sickly Children

Letters from Mothers

"I wish I could induce every mother, who has a delicate, sickly child, to try your delicious Cod Liver and Iron Tonic VINOL. It restored our little daughter to health and strength after everything else had failed."—MRS. C. W. STUMP, Canton, Ohio.

Mrs. F. P. Skonnaid, of Minneapolis, Minn., writes, "I want to recommend VINOL to every mother who has a weak or sickly child. My little boy was sickly, pale, and had no appetite for two years. I tried different medicines and doctors without benefit, but thanks to VINOL, he is a well and healthy boy to-day."

C. Allen, of New Bedford, Mass., writes, "My two puny children gained rapidly in flesh and strength in a very short time after taking VINOL."

We positively know VINOL will build up little ones and make them healthy, strong and robust. Try one bottle, and if you are not satisfied, we will return your money.

SENTIMENTALISM NOT GOOD REASON

To the Editor of the Mail,

Sir:—I notice by Monday's issue of the Washington Observer that the paper objects to having the county carved on account of sentimentalism and because "with all thy faullts we love thee still." The paper should have stated that all parts were loved with the exception of those which boosted Tener. Are we correct?

Pneumonia Develops From Pneumonia

Consumption readily attacks those who have had Pneumonia. Many sufferers from tuberculosis give a history of having had pneumonia. The lungs thus weakened are more easily attacked by the germs that cause consumption.

For all those with "weak lungs," especially those who have had pneumonia, Eckman's Alterative is the appropriate remedy. Cures of consumption are accomplished by Eckman's Alterative. But take it in time. There is no wisdom in waiting until Tuberculosis is established. Health is never fully valued until sickness comes. A remarkable recovery follows:—1240 Powelton Ave., Phila., Pa. Gentlemen: "I wish I had known of Eckman's Alterative two years ago. Since taking it I have gained twenty-eight pounds and I cannot but be very thankful to you and the Almighty God for the great blessing and change of health it has brought me."

LATE UNOFFICIAL RETURNS GIVE FEEHAN GOOD LEAD

Castle Shannon Man Re-elected Miners' President

THE NATIONAL ELECTION

White May Win Over President Lewis By Majority of 25,000 Votes

From the latest returns of the miner's election Tuesday, President Francis Feehan is re-elected by at least 4,000 majority in District No. 5 over Robert Gibbons, the Cecil man. This is about the same majority by which he won last year. From a telegram received this morning by President Feehan from the Illinois field, John T. White, of Iowa, is elected over T. L. Lewis for the national presidency by as large a majority as 25,000 or more.

Monongahela valley went strong for Feehan, as well as the immediate Pittsburg vicinity. Cecil, the home local of Gibbons, gave Feehan 62 votes to Gibbons 25, and Feehan carried his own local at Castle Shannon by a three to one vote. In the field next to Cecil, Feehan won by 86 to two.

Charleroi in its vote favored Gibbons slightly and gave, Lewis a majority over White. The vote here was Gibbons 65, Feehan 35; Lewis 79, White 29. Donlevy, which has the honor of being the oldest local in the valley, and to which Feehan belonged for a time, gave him 75 votes Gibbons was given a big cipher. White got 74 votes and Lewis captured one there Black Diamond gave a two to one vote for Feehan and 50 majority for White.

President Feehan in talking to the Mail over the long distance phone this morning stated that he had just received a message from President Walker of the Illinois field to the effect that Lewis had lost out there by about 40,000 votes, which would practically insure White's election, by some 25,000 or 30,000. Pennsylvania stood loyally by White, it is stated, nearly every district giving him a substantial majority. If the first reports are authentic and White is elected, the miners will have a good leader and one who is fully competent to step into the shoes of the outgoing president.

Members of Protected Home Circles Make Pittsburg Trip

With a class of over 100 to be initiated, a large party of members of Charleroi Circle, No. 303 Protected Home Circle, went to Pittsburg last night to attend a class initiation at the Pittsburg district at Soldiers' Memorial Hall. A picked degree team from various circles in the district performed the rites of initiation on the 1,200 or more candidates.

Charleroi was honored by the presence of the largest representative class, the size of the circle and the membership being considered. It was secured through the instrumentality of a literary contest recently finished.

SHOOTING OF GIRL PURELY ACCIDENTAL

No One Held Directly to Blame for Death of Miss Effie Smalley at Naomi Tuesday Afternoon

After hearing the testimony in the tragedy at Naomi last night a coroner's jury decided that Miss Effie Smalley came to her death by a gun shot wound from a revolver that was accidentally discharged by William Grant, and he was released from jail. Miss Smalley was instantly killed Tuesday afternoon when shot through the neck.

Grant testified that he had no intention of shooting the girl and did not know the gun was loaded. Mrs. Minnie England stated that she thought Miss Smalley threw herself in front of the gun. Deputy Coroner J. W. Gordon of Belle Vernon conducted the inquest, and the members of the jury were, T.S. Young, Claude Truxal, John Andrews, William Layhue, Jacob Amalong and John Vance.

MORE BIRTHS THAN DEATHS IN NOVEMBER

Sixteen People Dies in Charleroi During the Past Month

There were nearly twice as many births as deaths in the Charleroi district during the month of November, according to the report of Dr. Edwin McKay, registrar. In the two boroughs and one township composing the district there were 34 births and 18 deaths. In Charleroi the births numbered 31, and there were three in Fallowfield township. Sixteen deaths occurred in Charleroi and two in Fallowfield.

SUNDAY SCHOOL CLASS SURPRISES ONE OF MEMBERS

On Tuesday evening the Men's John Wesley and the Ladies Old Reliable Bible classes of the Speers M. E. Sunday school walked into the home of Mr. and Mrs James W. Collins at Speers and celebrated the 44th birthday of Mr Collins. Never was there a more pleasant evening spent in the village. The party was made up of married people, yet these were as young as they ever were and could have taught the younger set some new amusements It is very doubtful if Mr. Collins, although one of the crowd for several years, ever dreamed of his associates having the like that they displayed at his home.

A very delightful luncheon was served by Mrs. Ross Jackman, Mrs. Dan Doherty, Mrs. Elmer Taylor and Mrs. King Chalfant, which had been prepared, and just before serving the 52 plates Mr Collins was called to the middle door. There he was held up by Rev. E. Z. Robinson, pastor of the church, where he in a very impressive manner presented Mr. Collins with a handsome gold watch fob, presented by the classes and friends present. Rev. Robinson in his presentation speech told of the untiring work that Mr. Collins has been doing in the Sunday school and church for more than two years, being secretary and treasurer of the John Wesley class, his efforts to bring those into the Sunday school who do not attend, his faithfulness in the choir and his patience in helping to train the children of the school for special occasions. Mr. Collins responded appropriately and was much affected by the testimonal offered by his friends and neighbors.

At a late hour the crowd departed to their homes all wishing Mr. Collins many more birthdays.

FEW INTRICATE PASSES BRING ON DEEP SLEEP

Young Fayette City Man Not Troubled With Insomnia

After having been asleep for about eight hours at the instance of "The Great Charcot" who last night finished a three days' engagement at the Star Theatre, Frank Silas of Fayette City, was last night awakened on the stage of the Star Theatre. He yawned like a good fellow and stretched like a sleepy farmer boy. Silas came to town yesterday at noon to go to sleep. "The Great Charcot," who has gained some eminence by reason of his scientific work, when he got hold of the young man proceeded to make a few mystic and more or less intricate passes in front of his face, and Silas without arguing the matter in the least dropped off into dreamless slumberland. He didn't move unless "The Great Charot" willed, and acted much as one would expect a man to who had been out three nights in succession and was just taking his first rest after the vigil. "The Great Charcot" put several people to sleep while here, not as a prize fighter would, but in a less strenuous and equally as interesting a manner. He passed on to Martin's Ferry, Ohio, today to put others to sleep, for that's his work.

"THE WOLF" BOOKED FOR COYLE THEATRE

Strong in conception, dramatic in execution and vitally interesting throughout is "The Wolf," which will be seen at the Coyle Theatre next Wednesday, December 21. Eugene Walter has written the play in robust style. It is a story of the wonderful Hudson Bay country

Scene from "The Wolf"

and of the primal, eternal struggle between men for the possesion of a woman. Dark passion and pure sentiment are set in opposition, but there is nothing hackneyed. The men are not of the familiar stage type, nor are the scenes of a mechanical order. Mr. Walter tells an excellent story.

He is the author of the play "Paid in Full," which had such a big run last season, and was produced at the Nixon Theatre in Pittsburg.

Louis Beigel was a Pittsburg business visitor yesterday.

The Pittsburg Papers Go Into The Hands of a Receiver

Charleroi readers of the Pittsburg Post and Sun will regret to hear that these popular newspapers are in financial difficulties, and both have passed into the hands of a receiver. Action was taken to this effect in the Allegheny county courts this week when two bills in equity were filed, declaring that the two papers could not pay obligations matured and approaching maturity. These bills were filed by the Farmers Deposit National Bank and Joseph T. Nevin was appointed receiver.

Council to Act on Suggestion of the Fire Chief

Council will consider bids for the furnishing of 500 feet of fire hose for the borough at their first meeting in January, the bids to be advertised for shortly. At the meeting of council Tuesday evening Chief J. M. Fleming of the fire department was present and asked for some new hose and other equipment, such as coats and hats for members of the department, and council decided to act upon the suggestion. At the fire Tuesday morning much of the hose was damaged as well as some of the gum coats. Council purchased a lot of hose about two years ago.

Corner Heffran Investigates Charleroi Disaster

NO ONE RESPONSIBLE

Bodies of Two Mine Victims Buried From Respective Homes Today

Purely accidental was the explosion which caused the death of two miners, Jobe Williams and Angel Berneart, at the Charleroi Coal works Tuesday morning, according to a verdict rendered by the coroner's jury sitting on the case, at the inquest held last evening at the undertaking rooms of M. T. Crowley. The inquest was conducted by Coroner James T. Heffran. The verdict in full was as flolows:

"We, the jury, find that Angel Berneart and Jobe Williams came to their death Tuesday morning, December 13, from an accidental explosion of monobel, at the Charleroi Coal mines. We hold no one responsible for the accident."

The jury consisted of R. H. Rush, W. R. Gaut, Harry Geho, C. E Bell, John Porter and Daniel Shields. Five witnesses were heard

The funerals of both the victims were held this afternoon, that of Williams from his home in Coal Bluff at 1 o'clock, and that of Berneart from his home in Charleroi at 3 o'clock. Charleroi Circle No. 103 Loyal Order of Moose sent a delegation to attend the former funeral and the Charleroi Aerie of Eagles had charge of the latter.

COASTING HOURS ARRANGED FOR HOLIDAY SEASON

To the Public:

Now that our boys and girls are soon to lay aside their school books to enjoy the usual vacation, and upon request of a number of our citizens, I have instructed the chief of police and his assistants to not interfere with the boys and girls while coasting between the hours of 2 and 4 o'clock in the afternoon until further notice. A number of our citizens have offered their services to help guard the cross streets to prevent any accident. The police force and myself will do all within our power to protect the children and to avoid any accident, but it must be fully understood that any parent permitting his or her child to coast must do so at their own risk, as the borough will not be responsible should accident occur. It must be understood that the above mentioned hours must be observed. I would suggest that the smaller children coast on some street other than Fifth street.

The Entire County

If the State of Allegheny is not possible, the city of Pittsburg is, and a movement has been launched to annex the whole county of Allegheny to Pittsburg in order to insure a greater and better city. Headed by Mayor W. A. Magee a body of business and professional men have organized a temporary Greater Pittsburg Association, and immediate steps are to be taken to organize permanently and push the project through to a finish.

By annexing the entire county it is believed that better opportunities will be afforded for extending the future greatness and prosperity of Pittsburg. The present geographical boundaries of Pittsburg, even with Allegheny and other suburbs annexed, are wholly inadequate for further industrial expansion, and the limitations these impose is a drawback to the building up of a great center of diversified industries in proportion to the recources and facilities afforded by the community. Under a single city government and directed by a single body of patriotic boosters, the opportunities and resources are limitless. To develop this vast city involves the completion of many projects, some of which are now under way, and which will bring material prosperity to the whole western end of the State. The county annexation scheme would materially help Charleroi and all the up-river towns and all any encouragement that can be given the project will be to help further the development of the great Pittsburg district.

A Good Investment

Next week between 600 and 700 school teacher will assemble at Washington to attend the county institute. In addition to the social and intellectual impetus the presence of so many bright young men and women—chiefly women—will give to the county seat, their presence means considerable increase in business for the town. Every teacher is paid by his or her district to attend the institute, and the proximity of Christmas is sure to cause the visitors to spend considerable money in addition to their expenses. It is probable that the institute will leave between $7,000 and $8,000 of the teachers' money in Washington.

At different times when Charleroi had candidates for county superintendents the prospect of holding an institute in Charleroi was discussed. Our town is better equipped in the way of hotels for this purpose than Washington. There are many points of interest here besides, and in the way of entertainment the visitors could be shown through the big industries instead of being handed out the shop-worn bureau lecture and concert. The presence of a county institute in a town is a good business investment, and this is a matter to be considered by the people here if Charleroi should at any future time again have a candidate for county superintendent.

A Fat Job

The auditors' statement for the first nine month of 1909 has just been published in the Washington papers. This is the last statement of the kind to appear, as the office of county auditor was abolished by the creation of the office of county recorder, and the delay in publishing the statement was due to litigation and sickness of one of the auditors.

A feature of the report is the large commissions realized by the county treasurer, which gives him a salary for the nine months of $6,400.19. It is stated by a Washington newspaper that when money due from the State at the time was received, the treasurer's commission would be increased by at least $2,000 more, making his salary for the year over $8,000. This the newspaper in question considers exorbitant, and goes on to remark that the duties of treasurer are perfunctory and require no particular responsibility, and that in comparison with bank cashiers, clerks and bookkeepers, who have infinitely more arduous duties and greater responsibilities, the county treasurer gets at least three or four times as much salary. As the law places upon the county commissioners the duty of fixing the salary of the county treasurer, it is urged that the salary be made a fixed sum instead of based on a commission.

ELECTRIC SPARKS

Some people do not like to be up to date. Among this class might be termed those who insist upon calling newspaper men "ye editors."

When it is considered that it takes four kinds of "ation," aeration, sedimentation, coagulation and filtration to purify the water we use, we ought to be satisfied.

Penrose is charged with running the Farmer's Grange. What with all the others, including the Republican party, the Democratic party, the Prohibition party, a certain church presbytery and other things we can't remember, we don't consider that the colonel ever had anything on this noted Pennsylvanian.

LOVELY COMPLEXION

A Clear Skin and Bright Eyes are Easy to Get

All the beauty creams in creation won't improve your complexion if your stomach is out of order.

Belching of gas and heartburn mean bad food in the stomach. Bad food means bad blood and bad blood means a bad complexion.

Try Mi-o-na stomach tablets for stomach misery, biliousness, dizziness and indigestion. They relieve in a few minutes; they make rich red blood. They are guaranteed by Piper Bros. to cure or money back.

Read what a Kansas woman says:

"I had been doctoring a year for stomach trouble and found nothing that did as much good as Mi-o-na. I only have the second box and they have relieved all pain in my stomach. For stomach trouble, indigestion Mi-o-na can't be beaten. Mi-o-na has done a world of good for me when doctors failed."—Mrs. Cordeilla B. Mann, 207, 11th St. Junction City, Kan.

Mi-o-na stomach tablets are sold by druggists everywhere and by Piper Bros. for 50 cents a large box. Test samples free from Booth's Mi-o-na, Buffalo, N. Y. Y-9

What To Do —FOR— Sickly Children

Letters from Mothers

"I wish I could induce every mother, who has a delicate, sickly child, to try your delicious Cod Liver and Iron Tonic VINOL. It restored our little daughter to health and strength after everything else had failed."—Mrs. C. W. Stump, Canton, Ohio.

Mrs. F. P. Skonnard, of Minneapolis, Minn., writes, "I want to recommend VINOL to every mother who has a weak or sickly child. My little boy was sickly, pale, and had no appetite for two years. I tried different medicines and doctors without benefit, but thanks to VINOL, he is a well and healthy boy to-day."

C. Allen, of New Bedford, Mass., writes, "My two puny children gained rapidly in flesh and strength in a very short time after taking VINOL."

We positively know VINOL will build up little ones and make them healthy, strong and robust. Try one bottle, and if you are not satisfied, we will return your money.

SENTIMENTALISM NOT GOOD REASON

To the Editor of the Mail.

Sir:—I notice by Monday's issue of the Washington Observer that the paper objects to having the county carved on account of sentimentalism and because "with all thy faults we love thee still." The paper should have stated that all parts were loved with the exception of those which boosted Tener. Are we correct?

A Reader.

Pneumonia Develops From Pneumonia

Consumption readily attacks those who have had Pneumonia. Many sufferers from tuberculosis give a history of having had pneumonia. The lungs thus weakened are more easily attacked by the germs that cause consumption.

For all those with "weak lungs," especially those who have had pneumonia, Eckman's Alterative is the appropriate remedy. Cures of consumption are accomplished by Eckman's Alterative. But take it in time. There is no wisdom in waiting until Tuberculosis is established. Health is never fully valued until sickness comes. A remarkable recovery follows:—1240 Powelton Ave., Phila., Pa. Gentlemen: "I wish I had known of Eckman's Alterative two years ago. Since taking it I have gained twenty-eight pounds and I cannot but be very thankful to you and the Almighty God for the great blessing and change of health it has brought me."

(Signed) THOMAS REILLY.

Eckman's Alterative cures Bronchitis, Asthma, Hay Fever, Throat and Lung Affections. Ask for booklet of cured cases and write to the Eckman Laboratory, Philadelphia, Pa., for additional evidence. For Sale by all leading druggists and
